regarding women's carrier and pharmacist registration. Active session on "Stress Management" was taken by Vasundhara Jakka mam which was inspirational and enjoyed by all.

Afternoon session started with presentation on "Healthy diet and diet habits" was given by Dr. Manjiri Gharat. Gharat mam also explained need to moov from Pharmacy to Farming

(P to F). Women pharmacists were guided by Shweta Mahale and Sonali Padole for pursuing their carrier as pharmacists actively by getting involved in serving patients to help them to understand the prescription and medication and serving the community.

In the evening, event was summarized by Mr. Ganesh Bangle (MSPC, Member). Faculty from SSGMCOP participated actively. All the women pharmacists got certificate of participation.

The agenda of the work shop was to strengthen and motivate women pharmacists to share knowledge regarding our profession, actively participate in medicine administration when working as chemist and understanding the role of pharmacist in working as health professional, serving the community and pursuing carrier in the profession. Further the message of programme was forwarded to young women pharmacists at the institution.
