

## Digital Library:-

The Central Library has a separate place exclusively devoted for a digital library. It has in housed with 10 independent machines with all the A/V facilities. A patron can surf the internet, listen and watch academic related audios & videos in a digital library. Apart from this, the users from the digital library can also browse the parent library through Library OPAC (Online Public Access Catalog) and even subscribed electronic databases. The digital library is designed and developed keeping in view the shifting IT environment and the day to day needs of modern students. Electronic Databases: Keeping in view the importance of research in the academic sector, the library has provided access to various electronic journal databases. Those databases cater to the research needs of its patrons. The following databases are subscribed by the library

### Developing Library Network (DELNET)/Inter Library Loan:

Which is a network of 1000 institutions and access is being given to more than 60 lakh records through online systems. Delnet has been actively engaged with the compilation of various union catalogue of the resources available in member libraries. It has already created the union catalogue of books, union list of current periodicals, CD ROM database. DELNET provides an array of facilities including E mail to its member libraries including both institutional and associate institutional members. It has indeed been a big leap towards the modernization of libraries in India. To facilitate efficient and effective searching of information through the various online database and union catalogue, the NIE Library has taken membership of DELNET, New Delhi. The DELNET provides the delivery of individual books as and when

required by member libraries and photocopies of articles published in India and abroad through the Inter Library Loan/Document Delivery Services.
